

FASTAID PERSONAL™ PLASTIC CASE FIRST AID KIT

Description

- Durable plastic case
- Integrated wall mount bracket
- TGA registered no. 128314
- Portable personal kit with carry handle
- Designed for those out and about

The FastAid Personal™ plastic case first aid kit is designed for attending to minor everyday personal injuries whilst out and about.

The Personal™ kits compact case design makes it perfect for fitting into small spaces such as your backpack or PPE kit.

Containing essential premium hospital grade contents like adhesive plasters, wound wipes, splinter probes and more, the Personal™ kit has all the basics you need to attend to minor injuries like cuts and grazes.

Practical integrated wall mount bracket ensures your kit can be installed in an accessible place such as your workshop wall or kitchen pantry.

Unique colour coded contents make locating the right item in an emergency faster and easier.
